Station Udipi. *Dated the* December .... 1924.

From (Name) M.R.Ry M.Vittal Kamath Avl.,

(Designation) President Delegate, under section. 23(2) of the Madras Local Boards Act 192 .

To The Secretary to the Government of Madras,

Local Self Government .... Department.

Through

Sirx The President, District Board,
South Kanara.

Sir,

Adverting to G.O.Ms. 1522 L.S. dated 22nd October 1924. I have the honour to state as follows : -

2. The Udipi Taluk Board has an area of 356 square miles, with a population of 209909 in its jurisdiction. There is only one hospital at the head quarters of the Taluk namely at Udipi.

3. Within a distance of 5 miles from from Udipi, ther are two wide rivers on either side of it namely on the West North and South. The rains in the months of June to September being very heavy, the head quarters hospital is

i-

is inaccessible to people beyonds miles both in South and North. Besides the malnad area of the Taluk is faraway from the head -- quarters, the head quarters hospital being situated on or near -- the sea coast .

4. The Udipi Taluk Board was very anxious to open dispensaries; year after year, the District Medical Officer, South Kanara, was remarking just as the people were complaining that the Medical -- relief in this area was quite inadequate. The Government also -- while examining the question of Medical relief in rural areas, have remarked that the Udipi Taluk Board is backward in this respect.

5. Long before the G.O..No 1522 P.H. dated 22nd October 1924-- was published, the residents of Barkur offered to construct a -- building at their expense if a dispensary would be opened there. The Taluk Board was very anxious to redress the long felt grievance and consequently it made provision in its budget estimate for the last two years for opening a dispensary there. But the proposal did not meet with the approval of the Government on account of the financial stringency. Meanwhile the people of Barkur have been -- pushing on with their building showing how keen they were about it. Thus it is absolutely necessary that Barkur should be given a subsidised Medical Officer for service.

- vetoed in connection with the budget

6. Further the Board has also proposed two more dispensaries as the minimum of demand of theirs by proposing one at Kokkarne and another at Shirwa. Their object in doing so was to provide one dispensary on the South and on in the North of Udipi beyond the rivers. Moreover these two places are practically the malnad area of this Taluk. Both these stations are about 12 miles by road -- from Udipi head quarters hospital. There is another distinct -- advantage in locating dispensaries in these two places. The Karkal Taluk will be benefited by these dispensaries for this Taluk area is within a short distance of these two dispensaries. Coondapoor Taluk will also be benefited by the Kokkarne dispensary for this place is situated very near the Coondapoor Taluk area. Both these dispensaries are situated on the Eastern side of the Taluk. Thus the Board's first resolution to request the Government for -- dispensaries in these places is its minimum demand.

7. The Barkur dispensary will be of great use to Coondapoor Taluk being

not for ~~our~~ the Taluk area.

8. Thus the minimum demand for three dispensaries one at Barkur one at Kokkarne or Perdoor and the third at Shirwa seems to be a most needed necessity and ought not to be rejected. The District Medical Officer, seems to agree with this --- suggestion but unfortunately the District Board President, seems to be ~~xpxxxx~~ opposed to the Shirwa dispensary. By eliminating this dispensary the Southern and South Eastern area of the Taluk covering nearly half the area of the Taluk will be without the much needed relief.

9. The Taluk Board of Udipi in its meeting urged the Government for a fourth dispensary also at Knup on the South in addition to Shirwa dispensary to cover the South Eastern area just as the District Board President favours the idea of two dispensaries ~~in~~ the North, one being to the North at Barkur and another to the North-East at Kokkarne or Perdoor.

10. It may be noted here that all the other Taluk Boards in this District have already more than one medical institution under their control. It is therefore proposed the Government may be pleased to sanction four sucsidised dispensaries to Udipi Taluk, the same to be located at places mentioned below according to their importance namely Barkur, Shirwa, Kokkarne or Perdoor and Knup and to be opened on 1st. January 1925.

I have etc.,

DEPT. OF GOVT. LOCAL SELF GOVT. 23 DEC 1924 DEPARTMENT ASST. SECY.

Order.

Having in their order No.1834 (Misc.) dated 10th December 1924, sanctioned the opening of two village Allopathic dispensaries at Barkur and Shirwa, with effect from 1st.January 1925 within the jurisdiction of the Udipi Taluk Board under the scheme outlined in G.O.No. 1522 P.H. dated 22nd October 1924. The following appointments of Medical Officers are ordered.

		Places of dispensary to which posted.
1.	M.R.Ry Kochikar Raghavendra Rai L.M.P.	Barkur.
2.	M.R.Ry A.Shama Rao L.M.P.	Shirwa.

2. According to the scheme outlined in the above G.O. each Medical Officer, will get a subsidy of Rs 400/- a year as honorarium and a free supply of medicines worth Rs 360 a year which will be sufficient to provide drugs for a daily average of 30 outpatients to be treated free. An addition subsidy of Rs 100/- a year will be given to such of the Medical Officers who engage a qualified midwife in their village for affording -- maternity relief to the female population. The amount due to the Medical Officers will be disbursed by the undersigned in -- monthly instalments.

3. The officers named in para 1 supra will join in their -- respective appointments and open the dispensaries on 1st. January 1925 without fail and also report the fact to the undersigned. They will give wide publicity to the opening of dispensaries in and around their respective villages.

Station Mangalore, *Dated the* 8th December 1924 191

From (Name) M.R.Ry Rao Bahadur S.Raghunathaiya Avargal B.A.B.L

(Designation) President, Taluk Board, Mangalore

To The Secretary to Government,
Local Self Government Department, Madras.

Through

Sir, The President, District Board, South Kanara.

Adverting to G.O.No 1522 P.H. dated 22nd October 192[illegible] I have the honour to state that both the President, District Board and the District Medical Officer are of opinion that only one village viz:-Bajape under this Taluk Board area is sufficient for placing a subsidised medical man in charge. The former Officer seems to have formed his opinion on a [illegible] of comparatively small malnad area in this Taluk. The Officer has not expressed his reason for selecting [illegible] village under this Board. In the case of malarious [illegible] the quinine packets sold in Post Offices and b[illegible] potels will serve the needs without the ass[illegible]

of qualified medical man. The subject was warmly discussed in both the standing committee and Taluk Board Meetings.My Board agree with the President District Board and the District Medical Officer in the selection of Bajape village.But as there is at present only one Hospital and one Dispensary in the whole Taluk Board area of 414 square miles, the Board have selected another village viz Punjalcutta for placing subsidised medical man in charge.This village is 12 miles from Bantwal Hospital and 9 miles from Beltangady Dispensary thus there is no sort of Medical aid for a distance of 21 miles. The place is an important centre of trade where carts coming from ghauts halt.There is a travellers' bungalow and a chuttram at the place; besides there is a special chuttram intended for Adidravida coolies going to and returning from ghauts.The importance of the place can also be gauged by the fact that sometime back, a compounder was commanding good practice.This is the eastern boundary of the Taluk and it will undoubtedly be very useful for the several interior villages of ~~both~~ Mangalore, ~~and~~ Uppinangady and also Karkal Taluks some villages of the last Taluk are within a distance of 4 miles or so.

2. Under the conditions represented above,I request that the Government may be pleased to sanction subsidy with effect from 1st January 1925 for opening village Dispensaries at Bajape and Punjalcutta selected by my Taluk Board with Medical men of L.M.P. qualifications.

3. I beg to enclose a copy of the Taluk Board's resolution on the subject.
